MEMORANDUM FOR: Chief, NBRS/PMD/ESG/OIT

ATTENTION:

FROM:

Chief, New Building Project Office, OL

SUBJECT: Cray Installation

1. Our Architect-Engineer is completing the design package required to modify areas of the New Headquarters Building for installation of the Cray computer on the first floor. He has prepared a cost estimate for those architectural, mechanical, and electrical modifications necessary to support the Cray. It is requested that \$75,000 be made available to initiate these required changes.

2. Our intent is to solicit proposals from a contractor in April 1987 so that work on the modifications may begin on 1 May 1987. Please ensure that funds are made available in early April 1987.
